We really appreciate your interest in SOFII and wanting to become a SOFII ambassador. We'd like to make this experience meaningful and rewarding so please tell us a bit about why you'd like to become a SOFII ambassador and what your expectations are.

One of the main roles of a SOFII volunteer country ambassador is to promote SOFII among local fundraisers and encourage fundraisers to submit case studies to the site. Can you tell us how you'd go about doing this and the networks where you would promote SOFII?
